Dedication

Enthusiastic, dependable, efficient, and devoted . . . These words best describe Herman P. Rossetti, who unselfishly gives of his time and efforts to supervise the workings of our yearbook staff. During the past seven years, Mr. Rossetti has served as yearbook advisor and has provided the leadership, sincerity, and friendliness necessary for this position. He is always willing to help and offer assistance whenever asked. He has a smile for everyone and is very pleasant to know. It is for these reasons, that the 1968 **McKinleyite** is dedicated to this former McKinley student.

Mr. Rossetti has been a member of McKinley's faculty since 1948 during which time he has taught mechanical drawing and mathematics. Mr. Rossetti is a familiar figure around our school, one who is respected and admired by all. The 1968 **McKinleyite** is honored to salute this fine man.

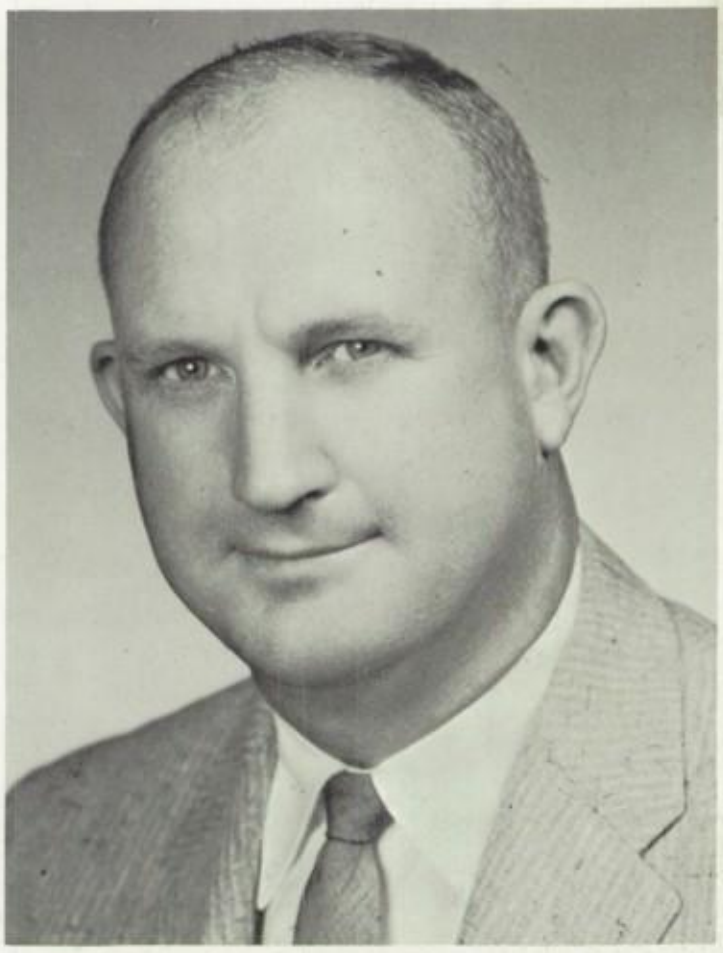
In Memoriam

HIGHER DESTINY

We are born for a higher destiny than that of earth; there is a realm where the rainbow never fades, where the stars will be spread before us like islands that slumber on the ocean, and where the beings that pass before us like shadows will stay in our presence forever.

Edward Bulwer-Lyton

Clayton E. Leyda



James E. Robertson

FRIEND

Death is not the enemy of life, but its friend, for it is the knowledge that our years are limited which makes them so precious. It is the truth that time is but lent to us which makes us, at our best, look upon our years as a trust handed into our temporary keeping.

Joshua Loth Liebman

McKinley High School . . .

We're off to see the WIZARD.

With cheerleaders like this, how could we lose!!

Youth in all its glory comes but once to each and every one of us. It is a part of our lives that slips through our fingers all too soon. The trials and tribulations we have experienced, and the cherished memories we have been a part of during our high school years will remain with us always. Not to be forgotten are all the crazy things that were said and done, the fun we had at dances and games, and last but not least, the life long friendships we formed. Youth is that magic ingredient which carries us across the bridge from childhood to adulthood.

Trick or Treat?

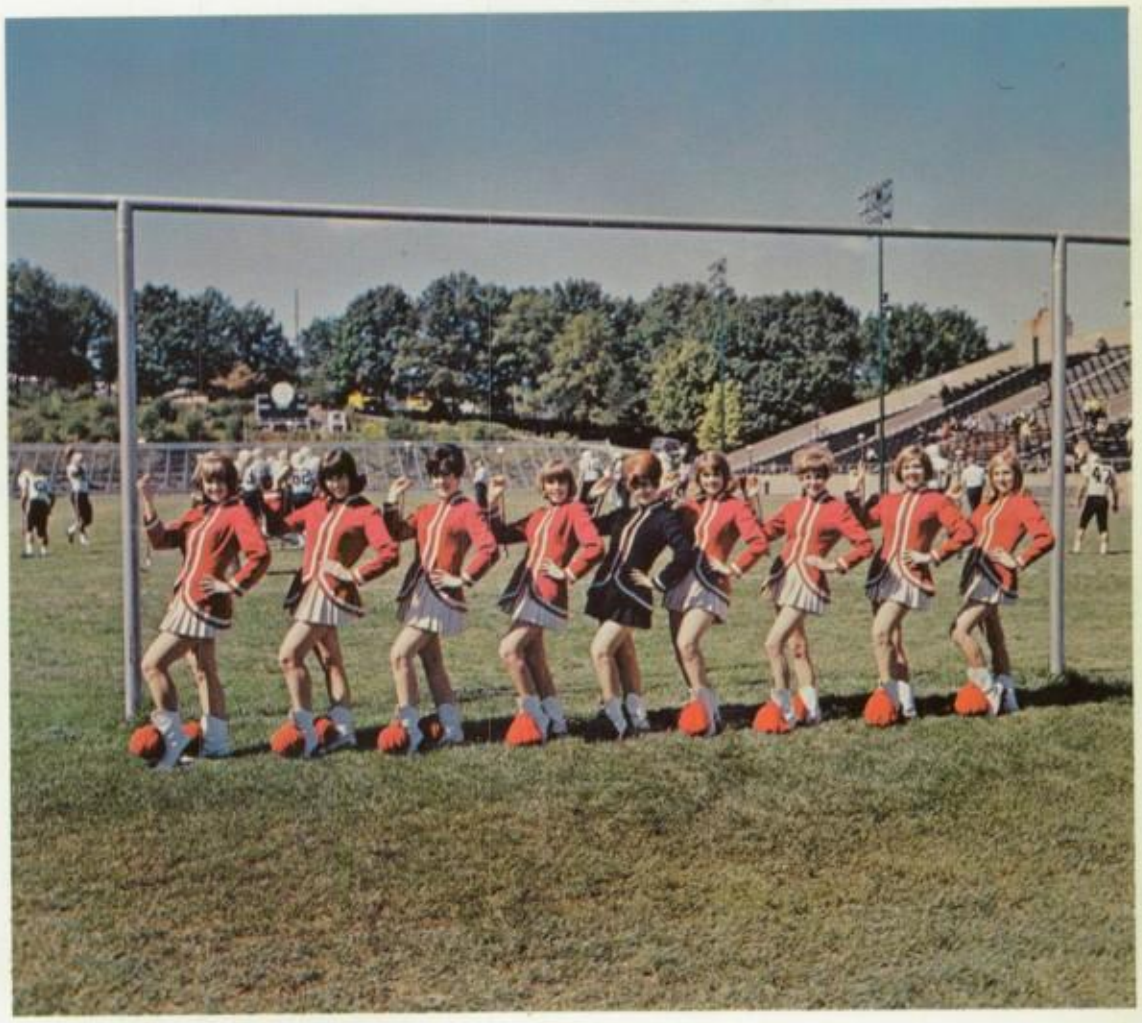
Our energetic cheerleaders work hard to boost school spirit.

Tuning up before the big game.

Co-operation, teamwork, enthusiasm, excitement, and good sportsmanship are only a few of the essentials necessary for outstanding school spirit. All these things, combined with a super student body, are responsible for making McKinley the great school that it is. The vim and vigor expressed at pep rallies and games has inspired our players when the going was tough. McKinley's greatness is the spirit that is passed on from year to year which echoes throughout her hallowed halls.



Adding glamour to the games are our lovely majorettes.

"McKinley High to thee we shall be true . . ."

The thrill and excitement of night games.

Constant efforts produce these results.

Year in and year out McKinley's traditions have endeared themselves in the hearts of her students. These are cherished memories which will long be remembered after we graduate. Our Alma Mater, Red and Black days, Massillon Week, the Yale-Harvard game, Prom weekend, and the opening dance each fall are only a few of the customs that are so much a part of McKinley's heritage. These traditions have been established in the past, are recognized in the present, and will continue in the future. Our feelings for McKinley are best expressed in the motto, "Where champions are made and success is tradition."

. . . Respect Tradition

The title of Miss McKinleyite is an honor bestowed upon a graduating senior girl by the yearbook staff in recognition of scholastic achievement and service to the school. Pat Homer has been chosen for this honor in the year 1968. She has maintained a high scholastic average her four years of high school, qualifying her for Honor Roll and National Honor Society. Although carrying a busy schedule, Pat has devoted much time to serving McKinley by presiding as president of Student Council. Pat's list of activities also include Introduction editor on Annual Staff, Booster Club, Girl's Service League, F.T.A., Medical Arts, Red Cross, Modern Language Club, and Quill and Scroll.

The **McKinleyite** Staff congratulates Pat Homer for being chosen Miss McKinleyite of 1968.

Miss McKinleyite

The McKinley faculty, advisors, and yearbook staff takes pride in announcing Scott Chandler as Mr. McKinleyite 1968. This choice was based on scholarship and service throughout his four years at McKinley. Scott has maintained a high scholastic average, enabling him to be on the Honor Roll and be chosen for National Honor Society. His dedication to McKinley is shown by his post of president of the Senior class. He is also a member of Booster Club, Modern Language Club, College Club, and serves as Division Lieutenant Governor in Key Club. Scott is an active member of Concert Choir and a participant in McKinley's yearly theatrical productions.

Congratulations are in order to Scott Chandler for being chosen Mr. McKinleyite of 1968.

There are hectic days at McKinley. There are exciting ones ... not so exciting ones ... puzzling ones, and just ordinary ones. No one sees these days better than our principals. They must act as a coordinating bond between the faculty, the advisors, the students, the parents, and anyone else who can affect the well-being of McKinley High School. This is both a challenging and rewarding job. Oddly enough these men are responsible for the success or failure of each and every day.

We are proud of our principals here at McKinley. Many times each day they prove that they are capable of handling any situation which arises.

We salute Paul A. Schott, head principal, Kenneth Kate, assistant principal; and Ralph Armour, assistant principal. These are our warm and friendly leaders whose capability and efficiency are highly respected.

Our teachers are extremely talented in understanding the thoughts and ideas of teenagers. They teach and advise on a level both understandable and acceptable to the students.

They have guided, encouraged, criticized, taught, and enlightened us. We acknowledge them as our most immediate source of knowledge. Our faculty has enthusiasm!

It's difficult, sometimes, for students to believe that our teachers are really people!

They forget that under the stern faces and busy schedules, are spirited and enthusiastic leaders. Their sincere student relationships, help to create a warm and friendly atmosphere.

The faculty here at McKinley, has grown immensely popular. And the students seem to have become attached to the lively attitudes shown by them. Endless times a day, laughs are shared and good times are exchanged; all of which are a part of memories which will never die.

We are proud to have Mr. Rohrer as a part of our faculty. He has recently been chosen as one of the most outstanding teachers in northern Ohio.

Mr. Rohrer was chosen one of three teachers to win the Martha Holden Jennings Master Teacher Award. As a part of the award, Mr. Rohrer plans to attend Kent State University for three terms to further his education. He plans to study Geology, Biology, and other science courses.

Those who nominated him for the award will agree that besides teaching Physics, Mr. Rohrer has found time for countless other contributions. These include building a telescope on the roof of McKinley, setting up a pendulum, winning the Shell Merit Fellowship in 1958, and acting as science supervisor for the entire city of Canton.

To you, Mr. Rohrer, we extend sincere congratulations.

Our teachers are seeking to create well-rounded students by developing self-expression, poise, confidence, and efficiency. They are attempting to enlighten confused students in their exploration of learning.

We are proud of the **sincerity** and earnestness which they show in tackling sometimes impossible tasks. They realize that today, as never before, the education of youth is of grave importance. Because of this, they have dedicated their lives to fulfill such great responsibilities.

Our faculty is simply beyond compare!

And yet so often they are missed when the fanfare is blown! They have become symbols to the students and through them we have learned patience and understanding. With each passing year they have helped us become a little more tolerant, a little more mature and a little more confident.

A great part of our future rests in the hands of these men and women who coordinate and guide our high school days. For the leaders of tomorrow's world are being created inside their classrooms each day.

We can feel nothing but gratitude and appreciation. We shall plan to go out into this complex society in which we live, hoping to do our part in making it a better and more fit world in which to live.

Our majorettes maintained great spirit and faith by performing in all types of weather and under great tension. This represents their strong determination and want of success. They achieved this goal many times!

Linda Greavu, as Head Majorette, led the girls through a successful and entertaining season.

Bulldogs Soar, But Then Falter

The 1967 Canton McKinley "Fighting Bulldogs" jumped off to a fine start by winning their first five football games plus the number one spot in the state ratings. Their first win was a come-from-behind victory over an always tough Niles McKinley. The Pups, although outsized, cinched the win 19-14 with a touchdown in the final minutes. The Bulldogs continued on the road to victory with an astounding 32-7 win over the Warren Harding Black Panthers, and then added a 51-20 romping of Dayton Roth to their record. Cross-town rival Lincoln was the next victim in the Pup's string of victories. Predictions were that the game would be close, but the Bulldogs pulled out a 27 to 6 win over the Lions. McKinley rounded out the first half of the season by trouncing Central Catholic 44-6.

A Steubenville defender vainly tries to foil a pass to All-County back Gerald Davidson.

Steubenville opened the second half of our season by nipping the Bulldogs 20-15, and uprooting them from their number one spot. The win was the result of a fluke touchdown in the last second of play. McKinley, however, bounced back the next week and pounded Toledo De-Vilbiss 33-14. The Pups ruined any chances for a state title by dropping a 20-14 decision to a fired-up Alliance team. This loss was followed by a 21-12 defeat by an unranked but sound Lakewood St. Edward.

McKinley engaged arch-rival Massillon in the last game of the season. The Bulldogs, attempting to snap a two-game losing streak, outplayed the Tigers in every phase of the game except the score. The Bulldogs were rallying for a possible winning touchdown when an intercepted pass foiled the attempt and decided a 20-15 Bulldog loss.

Although the Sophomore Reserves started out the season dropping three of the first four games played, they made a great comeback winning the remaining four games. Even though the team was hurt by losing five sophomores to the varsity team, the players filled their places well. Playing their home games at Mason Field, the team, led by Coach Wolfe, was inspired by the fine passing of Joe Babics, the tremendous running of Roosevelt Birl and Ed Floyd, and the excellent defensive line including Robert Clayton and John DeStefano. Coach Wolfe summed up the season by saying, "This year's team was the finest McKinley has had."

Basketball

Although the Bulldogs started out the season without Senior playmaker Don Johnson, they still posted a fine record of 13 wins out of 18 regular season games. Beating Massillon in both games played for the third year in a row,- the cagers ended the season by losing a hard-fought game to their arch rivals, the Lincoln Lions.

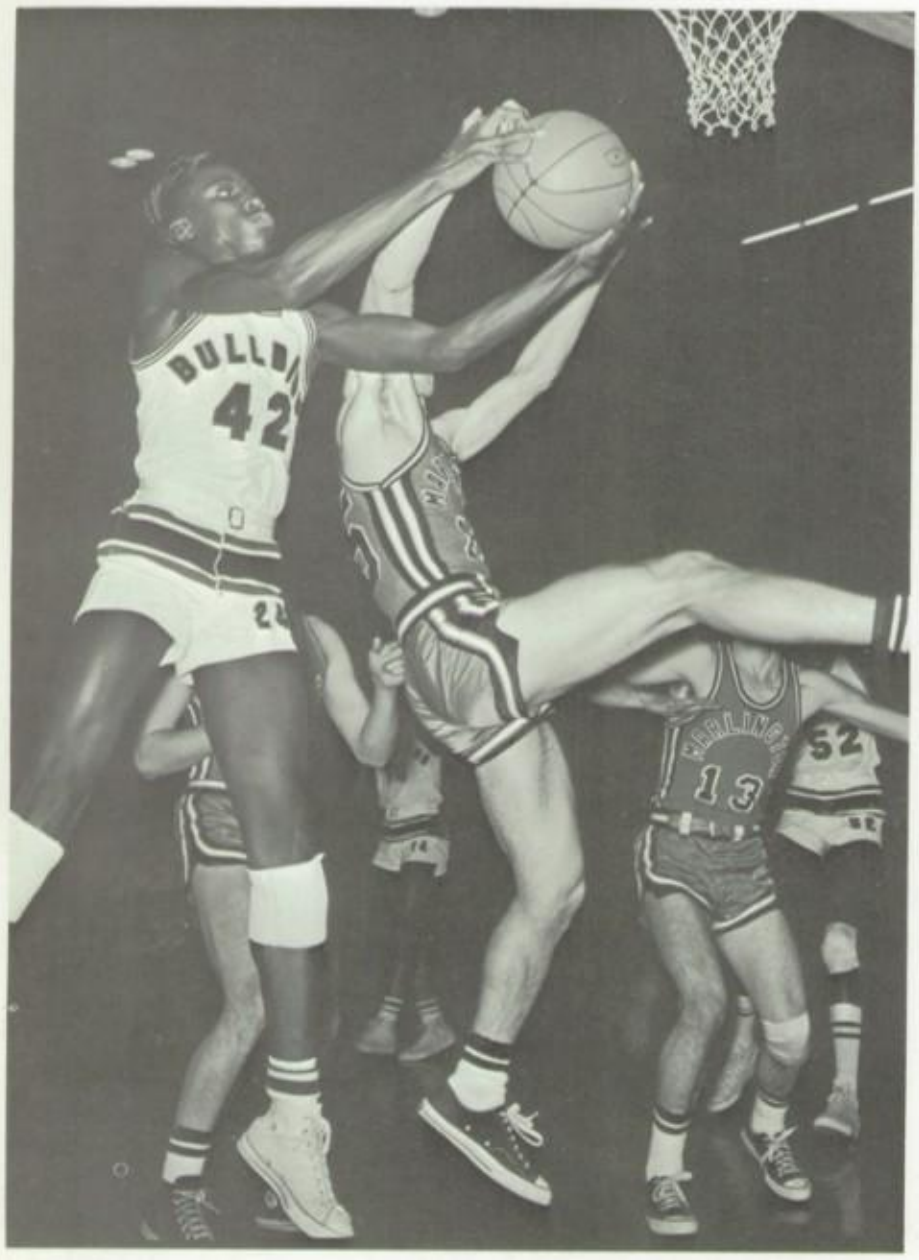
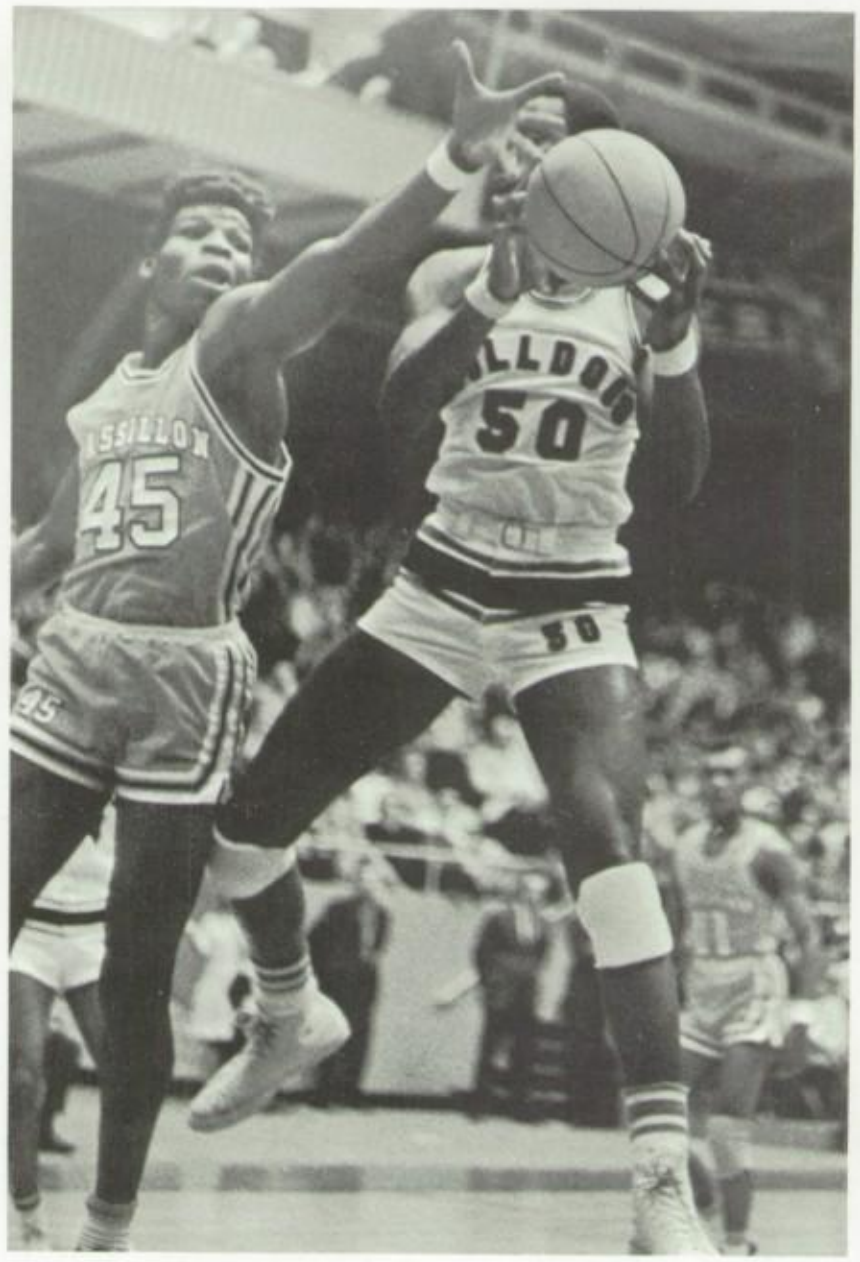
Despite Slow Start, Bulldogs





Even though people were heard to say that McKinley was "put up against easy teams in tournament play", the statement proved to be false. The cagers were fighting the whole game, every game, as shown in these tournament pictures. In the picture in the upper left, Lemmon is in a fierce struggle for the ball. Upper right shows McKinley's Ron Clabourne keeping the ball just out of the reach of his opponent's outstretched arm. At the right, Vance and Clabourne are unable to snag the rebound.

The fighting McKinley Bulldogs, after crushing such formidable opponents as St. Thomas Aquinas, Canton South, Marlington, Massillon, and Kent Roosevelt, found themselves being ousted from tournament play by a fine Euclid team. However, we are blessed with many returning lettermen who have seen a lot of tournament play, and we hope to have a good nucleus around which to build next year's team.

To coach Bob Rupert and his fine team, we say thank you for an excellent and exciting season.

Under the skillful direction of Coach Ted Branin and former swim great Marty Mull, the mermen swam their way to a winning season. The Bulldogs, however, were still without the services of a pool of their own. Practices were held in neighboring regulation size pools or in the shorter Y.W.C.A. pool. "Home" meets were staged at the "Y.W."

C. T. Branin: Coach of the Year

Under a policy of swimming only the best, the Bulldogs swam their way to a season record of eight wins and seven losses. The pups dropped three of their losses by scores of 47-48, two of which were at the hands of arch-rival Akron Firestone.

In District competition, the mermen placed third and qualified nine boys for State competition. First places went to Mike McDermott, Mike Mull, Gary Grunau, and the 200 yard medley relay team of Ed Eubanks, Grunau, John Unger, and Alan Stinson.

The Pups captured fourth in the State meet after a fourteenth place finish last year. Grunau was the only gold medal winner as he took first in the 100 yard breaststroke. Bob Sautters captured second place in the 100 yard freestyle. Head Coach Ted Branin was named Coach of the Year by the state's swimming coaches.

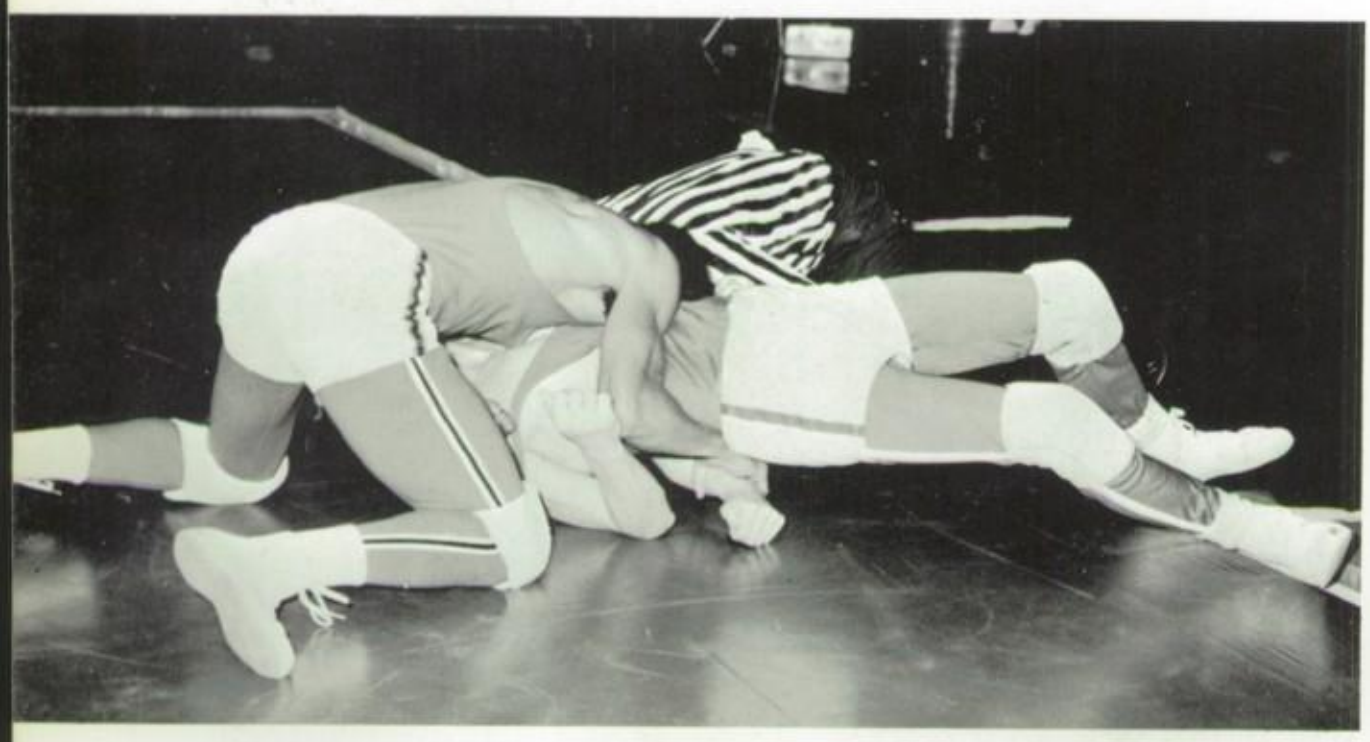
Wrestling

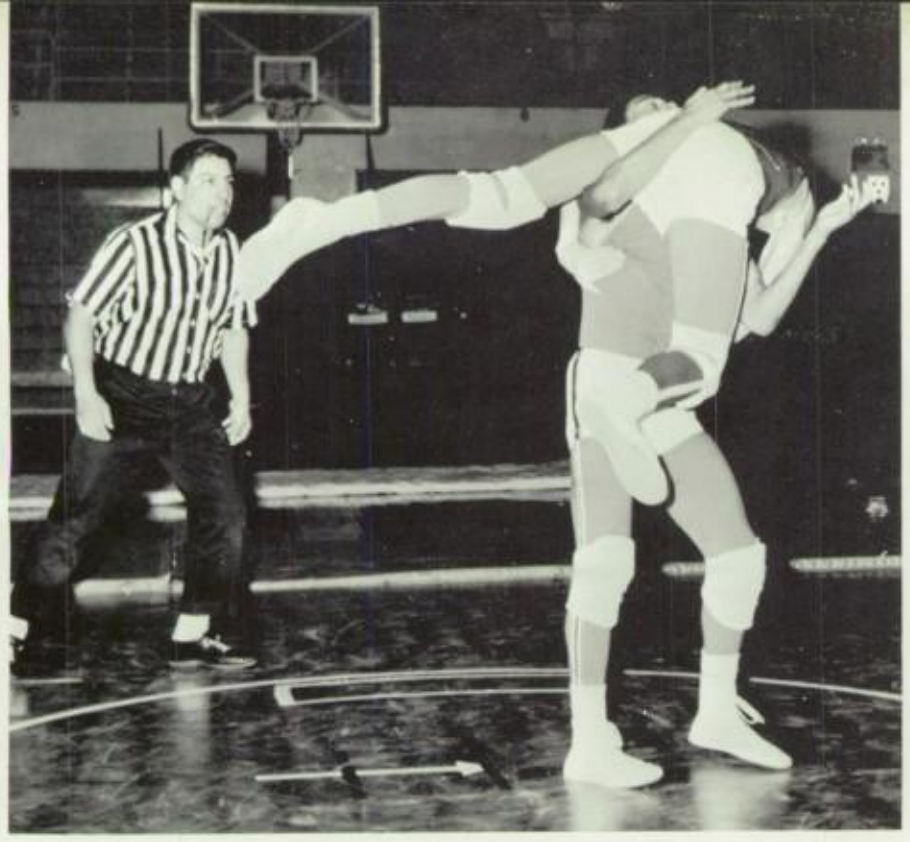


A wrestler proves that McKinley always ends up on top.

Wrestling is one of the sports that puts pressure on the individual. Mckinley's wrestling team has the individuals that pass the test. This year's matmen met victory in almost all their encounters. Coach Wolfe guided his lettermen and their "understudies" through a very rewarding season.

The reserves followed the pace. This year under coach Wellendorf they enjoyed another successful season. Future teams will learn from the mistakes of this year's team but will also look toward their example.

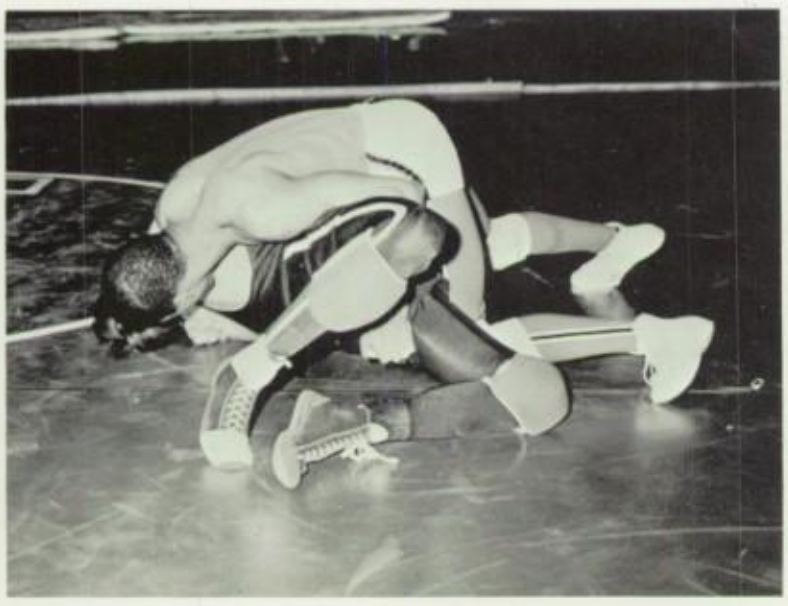
The Pups again showed well in the state competition.



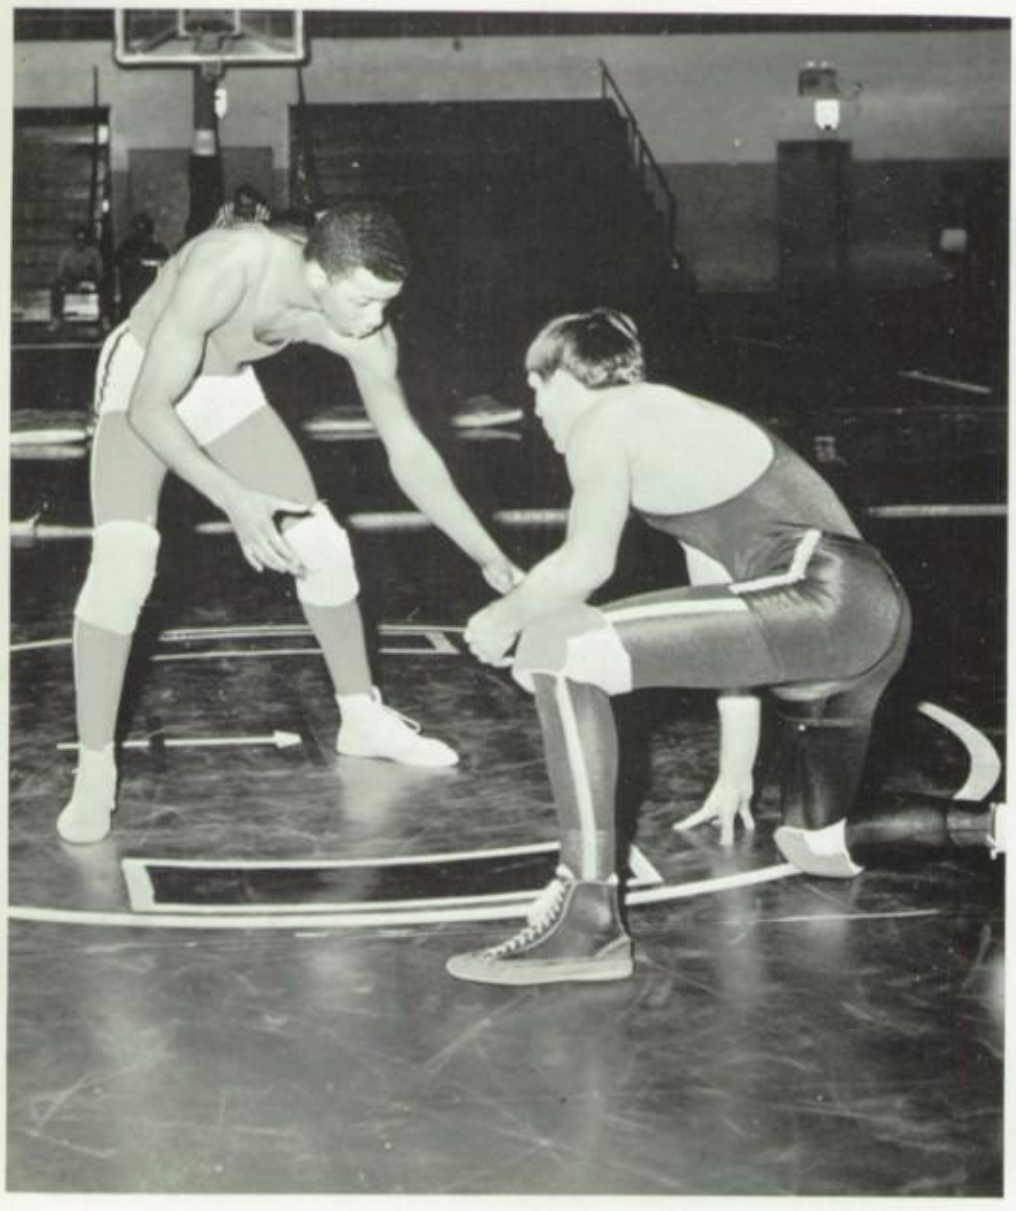
The ups . . .

. . . and downs of wrestling.

A fierce struggle . . .



. . . but a winner every time.



I'm ready if you are!

A McKinley wrestler all tied up with his work.

From the contribution of our five All-City Wrestling Champions, Canton McKinley succeeded in winning the first annual All-City Wrestling Tournament this season.

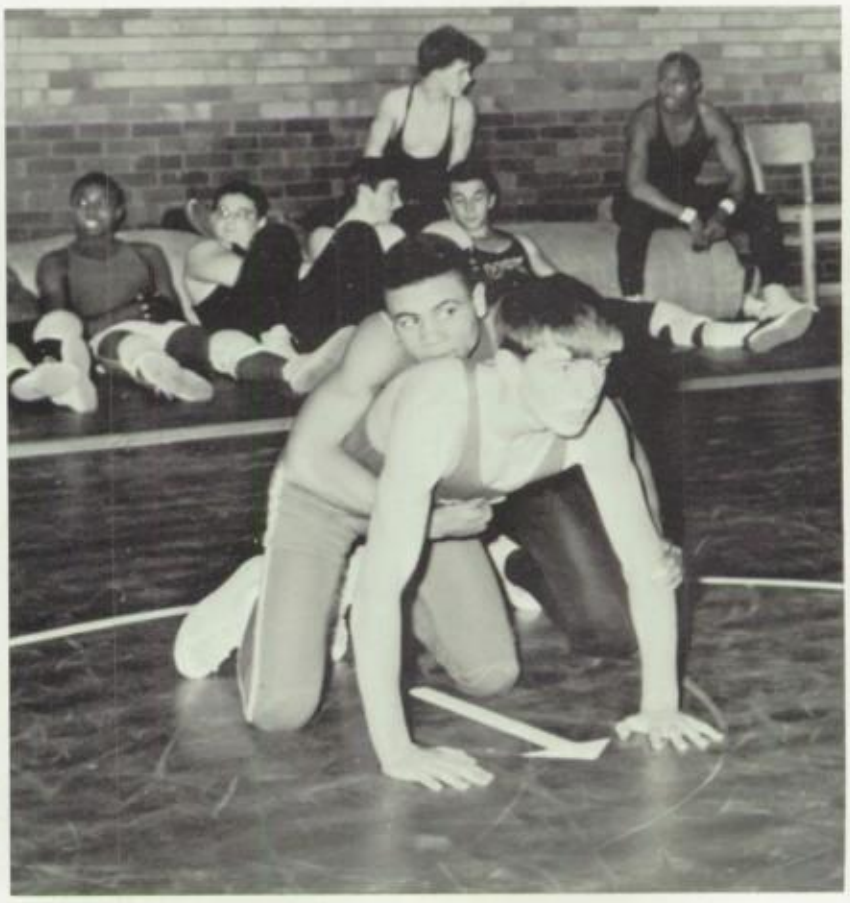
Caught off-guard.



Ready for action!

Varsity Cheerleaders

VICTORY! VICTORY! VICTORY!

This year's Varsity Captain, Sharon Smith.

Vim, vigor and hard work appeared to be the characteristics that were enthusiastically displayed by our cheerleaders. Under the new direction of Miss Ash, a former McKinley cheerleader, the girls kept the school spirit alive as they cheered our boys through victory as well as defeat.

The close teamwork of the cheerleaders enabled them to present various new cheers and chants to the student body through our pep rallies.

We're with you, team, so fight!

Reserve Cheerleaders

As with the Varsity, the reserves showed great spirit as they led cheers throughout the reserve games. Occasionally, when a varsity cheerleader couldn't participate, the Reserves had the opportunity to cheer along with the rest of the Varsity squad.

Also under the direction of Miss Ash, the Reserves displayed their ability that will inevitably lead them to a Varsity position in future years.

RESERVE CHEERLEADERS: Sheri Perlman, Pam Domer, Cindy Barnett, **Captain:** Sharon Brand, Debbie Ohliger, Marie Carrozzi.

First Row: K. Strong, B. Ritchie, C. Spencer, C. Coleman. **Second Row:** B. Wilder, V. Van Horn, I. Dickey, D. Jones, S. Geiselman, B. Pringle.

Whose ball is it?

Because this year's yearbook will go to publication before the annual Yale-Harvard game, we are unable to announce the winner of the game. Skill is equally distributed between the two teams, and the game should prove to be an exciting and thrilling one.

A mad scramble for the ball.

Anxiously awaiting the outcome of a foul shot.

Spring Sports Previewed

First Row: N. Walker, A. Cook, D. Johnson, G. Mack, R. Morgan, D. Knox, J. Unger, G. Mack, T. Clifford, W. Henderson. **Second Row:** B. Ross, I. Robinson, R. Walker, R. Russ, M. Snell, D. Jones, M. Crenshaw, J. Flowers, N. Weatherspoon. **Third Row:** K. Johnson, D. Ball, R. Gardner, N. Brown, B. Boylan, G. Schrade, E. Swint, R. Olivera, C. Poling, T. Mack, G. Eckles. **Fourth Row:** D. Edwards, L. Dillard, O. Henderson, M. Walker, J. Grimes, H. Roberts, S. Rubin, G. Snell, M. Jackson, R. Truitt, L. Ford.

As is the case with many yearbooks the spring sports are not started until after the publication date. Therefore, it is virtually impossible for the yearbook to render an accurate account of such sports as track, golf, baseball and tennis.

As a result, the sports staff has decided that it would be more appropriate to give a preview of this year's teams rather than the records of last spring's season. This way the athletes who participate on these teams and are members of the class of "68" will be included in the 1968 McKinleyite.

The 1968 edition of the Bulldogs track team is again expected to dominate Canton track circles. However, stiff competition could possibly arise from cross-town rival Lincoln. McKinley is paced by veteran trackmen Jim Unger, Garland Mack, Garth Mack, and Walter Henderson. Unger and the Mack brothers are competing in the distance and semi-distance races, while Henderson covers the dashes. The Bulldog thinclads are also expected to make fine showings in the District, Regional, and State meets.

Henderson hits the wire to climax another Bulldog victory.

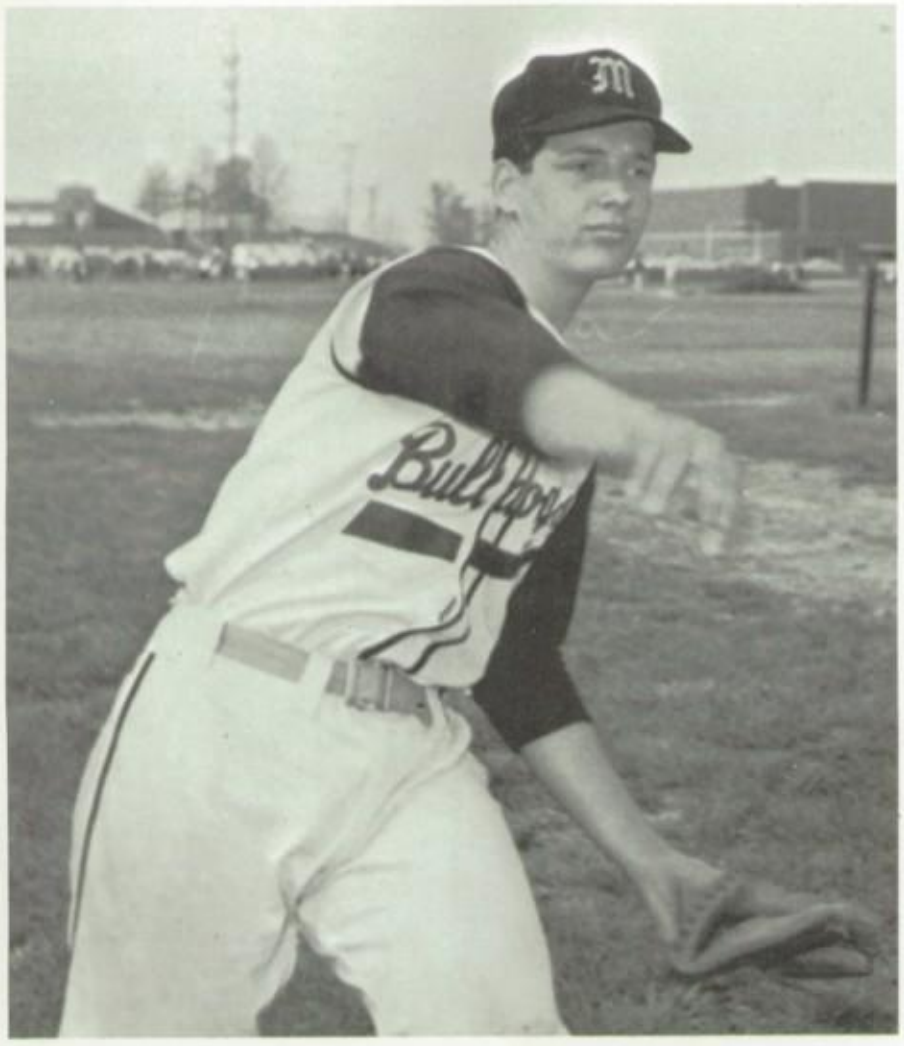
They're off and running!

Thinclads Destined To Success

Jim Unger shows the determination it takes to be a winner.

Track coaches Allman, Evans, and Spielman gather afterwards to discuss the past track meet.

Hoskins shows the form that makes him one of the leading Bulldog pitchers.

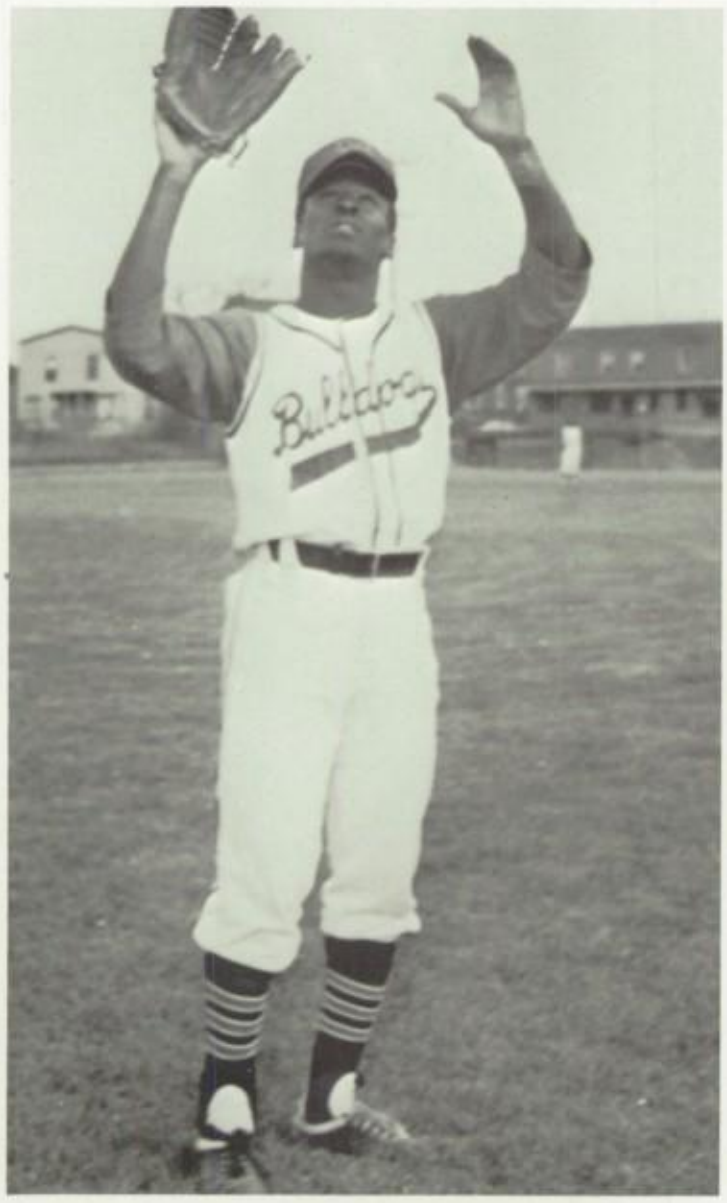


As with track, the baseball season doesn't open until the yearbook is already published. Led by Coach Dan Brooks, this year's team will show the determination, skill, and cunning to make this season successful as well as exciting. With the loss of only two players and sparked by a new, bright prospect, Joe Babics, the Bulldogs will be sure to set the pace. In addition to the fine hitting of Jim Davis combined with the great defensive work of Ben Hoskins on the mound and Gerald Davidson behind the plate, the fighting Bulldogs have experienced players in every position on the field. Playing their home games at Cook's Park, the Bulldogs will be going all out to prove themselves as great as the name implies.

Bulldog Sluggers Will Swing To Success

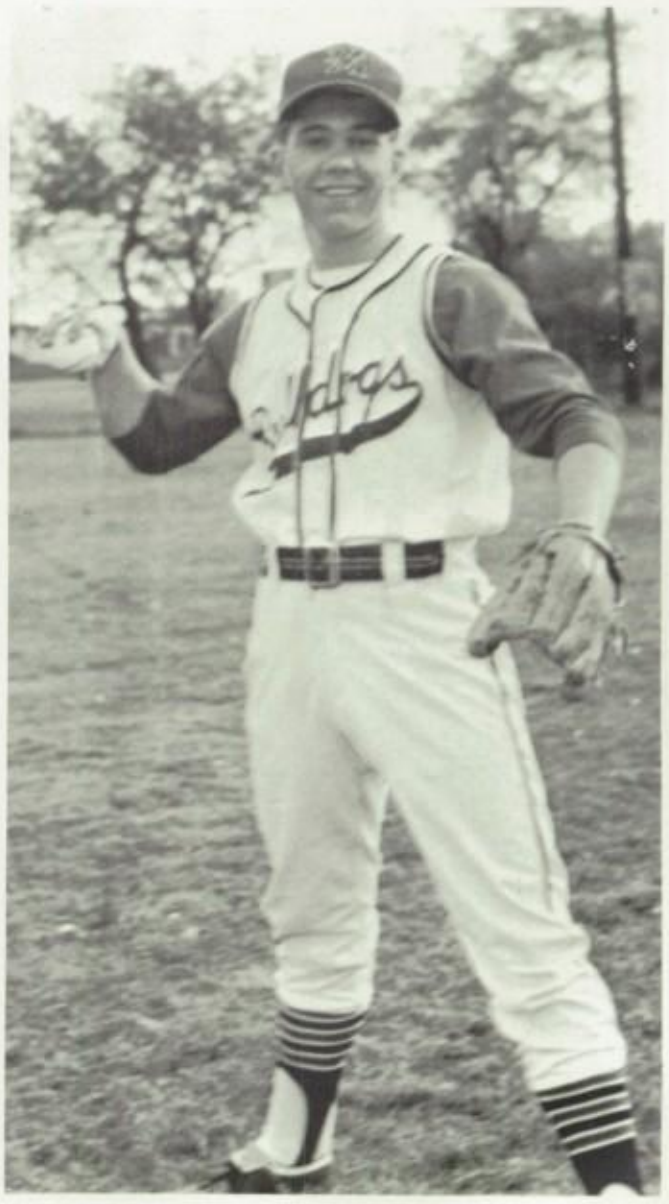
The moment of suspense while the batter awaits the ball.

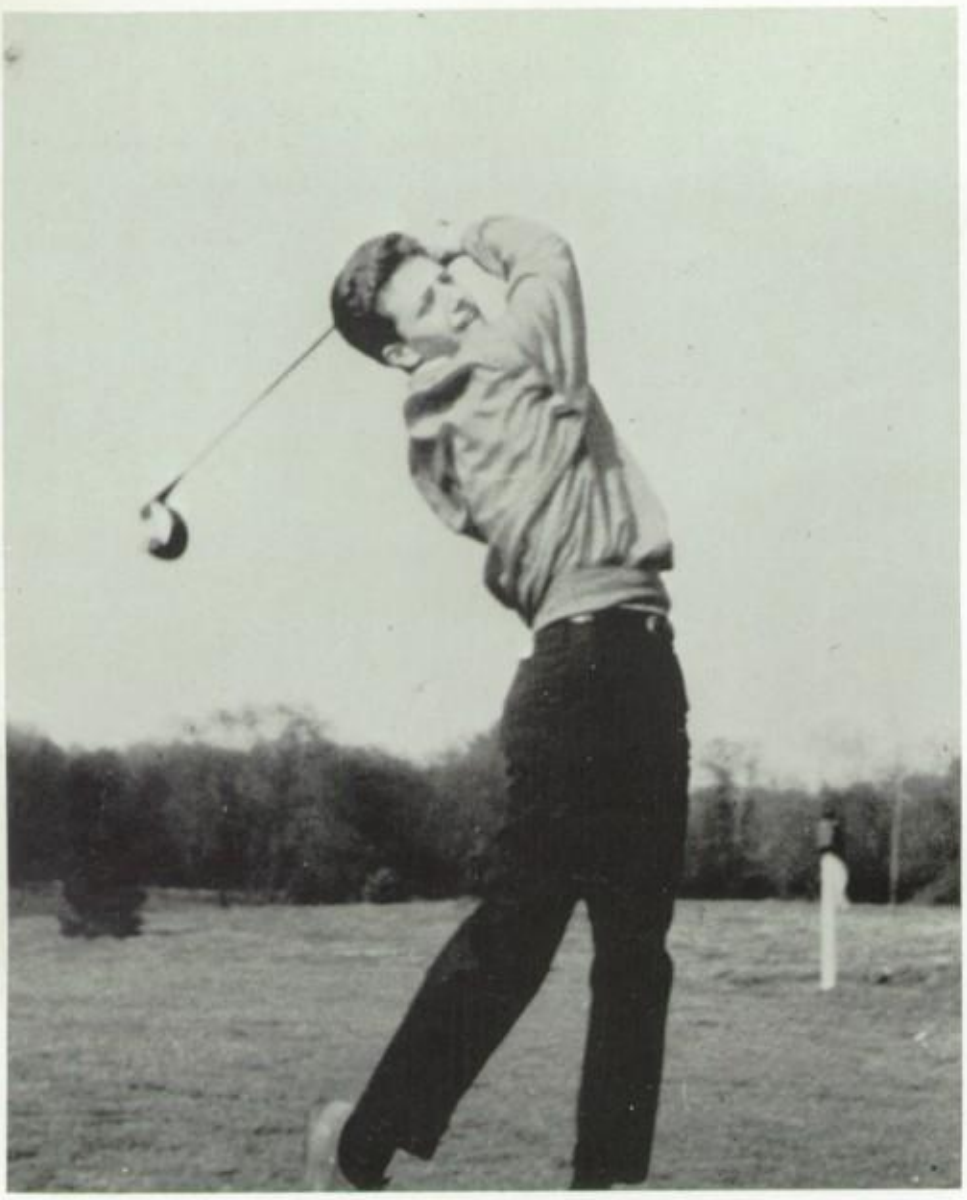
Bottom Row: M. Norris, E. Alecusan, J. Babics, T. Bowersox, G. Moore, G. Davidson, L. Irons. **Back Row:** Coach Brooks, L. Milan, D. Hendershot, E. Coberly, B. Hoskins, J. Davis, R. Brown, B. Hoffman, J. Vergis, **manager,** Coach Wolfe.



I got it! I got it!

Hendershot warms up with a quick game of catch.



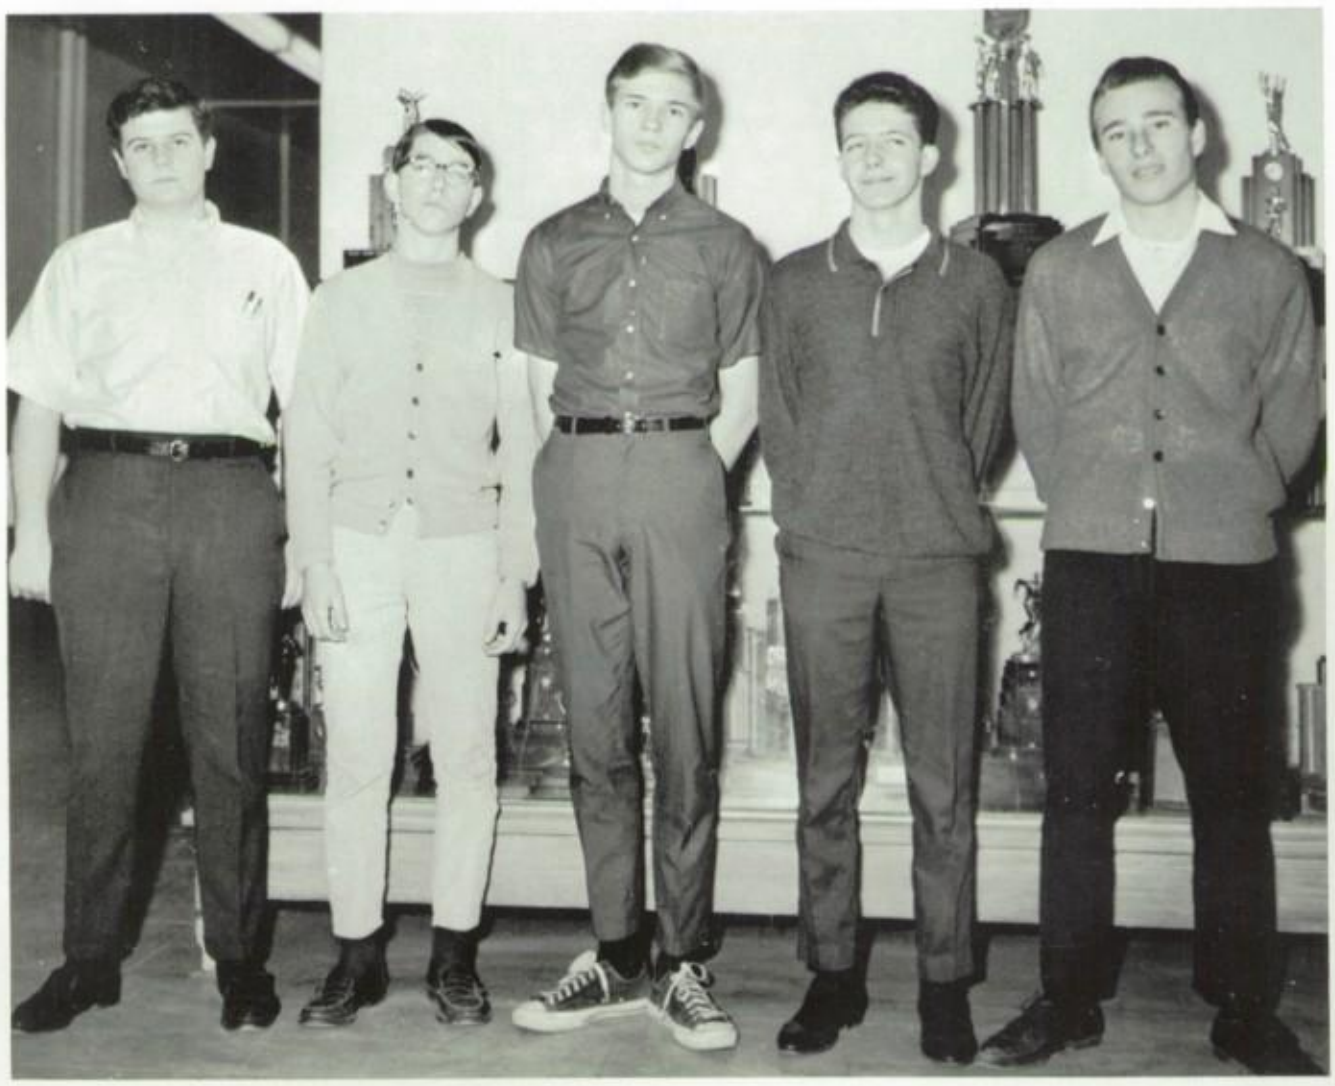


FORE!

Golf

Concentration is the key to a good golfer.

Left to Right: T. Zernechel, M. Sadowsky, E. Todd, P. Veno, and C. Timmons.



McKinley's golf team will try to prove their superiority over local teams when they hit the fairway this spring. All members of the team are returning lettermen except "Doc" Todd, who's a freshman.

Led by new coach, Herman Rossetti, the golf team will host their home matches at Tam O'Shanter Golf Course.

Left to Right: M. McDermott, J. Cooper, B. Sautters, L. Schneier.

A Smashing Forehand.

Tennis

The netters of McKinley High School will once again skillfully play the courts to make the season a successful one. Along with the leadership of Coach Bob Rupert, the tennis team will display the vigor and strong determination it takes to acquire a memorable record.

. . . Youth Sets The Trend

You probably recall that at one point in her adventures in wonderland, Alice found she had to keep running faster and faster to stay in the same place. We know how she felt. Over the years, dozens of companies have challenged the leadership of Hoover cleaners . . . unsuccessfully. We've maintained our leadership through a constant program of product development and improvement for our cleaners, and for our many other products. So, in effect, we keep running faster and faster to stay where we've always been . . . in first place. It isn't easy, but it would be a lot tougher without the dedicated skills of all the men and women of The Hoover Company.

An Open Letter to Each Member of The Class of '68

Dear Senior,

You are about to embark upon one of the greatest adventures of your life. Four years of hard work and struggle are behind you and the future is waiting to unfold. But this is not a time to look back. It is a time of looking forward—a time of making plans for the future.

Perhaps you are going to further your studies in college, or attend a vocational school, or get a job. Whatever your plans, remember that you are one of the leaders of tomorrow. It is upon your shoulders that the welfare of this great nation lies. In order to reap the benefits of this country, you must help provide for its direction.

Therefore, I say to you, "Good Luck" and may your decisions be guided by truth, loyalty, and love of freedom.

PIZZAS, PLATTERS & PROFITS

Every record company gambles on each new release. Duds far outnumber the hits. A company's stockholders receive only about 3% of the money you plunk down for a new record.

And manufacturers of tapered roller bearings, steel and rock bits, for instance, work hard and plan carefully ahead to earn a small percentage of profit. Then that profit must be divided up again—for new machines, new plants, new research and to pay back the stockholders who have invested their savings in a company's future.

When you think about profits, remember that even the thinnest slices have to go a long way. The Timken Roller Bearing Company, Canton, Ohio. Makers of tapered roller bearings, fine alloy steel and removable rock bits. Profits make the world of American business go 'round and 'round.

Even though they're usually a thin slice of a company's or a store's total income.

Most high school seniors think profits are about 50% of sales after taxes are paid! Actually, a pizza shop owner who, on a busy night, sells $100 worth of pizzas is lucky if he winds up with $4 or $5 profit.

And that profit doesn't all stay in the owner's pocket. He has to set aside some of it for new equipment and perhaps a bigger shop someday. Profits pay for expansion in any business. Profits create new jobs.

A really sweet guy
I met in English
this year. I'll never forget
the time when you
was telling me about
a story and she got really mad at us.
I'll remember all the crazy
things and hope
there will be more
in the future.
A friend always.

Larry,
To a really sweet, attractive & charming guy.
It certainly was a pleasure to meet you last year. You have made my first year at McKinley a memorable one. Keep up the kind of smile & personality that you have always had. Remember all the fun we had in Bookkeeping II & Mr. D.'s (1968) class. Remember me sometime.
Love,
Lucie

Larry, It's a really sweet guy that I have really gotten to know this year. Don't ever forget all the fun we had in Bookkeeping II, Typing II & Mr. D.'s class. Try to forget the Queen title, but I had a lot of fun all the same.
Keep up the good work.
Best of Luck
